# BRASSERIE ROUX

Over 400 years old, Gosset is the oldest winery, founded in 1584 when Pierre Gosset began making wine from the grapes he harvested from his own vines around Aÿ. At that time, the wines from this village, along with those of Beaune were considered to be the best in the world, and Aÿ is still classed in Champagne a Grand Cru. Pinot Noir is the predominant grape here, and it still directs the style of Champagne Gosset.

Gosset's production is small and very painstaking; the wines undergo fermentation in wood, leading to a distinctively creamy, full, biscuity style. Gosset is also one of the few houses to practice *poignettage*, where bottles are removed from one part of the cellar to another every six months, and given a vigorous shake in the process. This reinvigorates the live yeast and adds to flavor, complexity and texture

All Gosset champagnes are 'recently disgorged', normally with a high proportion of Chardonnay and without malolactic fermentation. This preserves acidity which in turn keeps the wine fresh for much longer. The Gosset style is very creamy, dry but not acidic, full, biscuity and yeasty.

		Glass	Bottle
